

ISO 13591:1997
Small craft - Portable fuel systems for outboard motors
Conformity Assessment Report

Certificate/Report number	HPIVS/VR1132-022-I-01
Manufacturer	Moeller Marine Products 801 North Spring Street Sparta TN 38583 USA
Location of Inspection	Sparta, USA
Description of Product	Portable Fuel Tank 9 Gallon / 12 Gallon
Model number	620009LP / 630012ALP, 630013LP
Capacity	34.07 L / 45.42 L (9 / 12 US gal)
Wall thickness	1.65 mm (0.065")

Conclusion and recommendations

The Technical Construction File have been reviewed and found to be complete, as required by ISO 13591 Small craft - Portable fuel systems for outboard motors.

The following documents have been reviewed for the assessment:

- "CE-Pro Fuel Tank TCF Moeller Portable" (including ISO 13591 checklist).
- Test Reports: TSG: 2C492-1.1A 12, 2C492-2.1A, 2C492-3.1A, 2C492-4.1 & 5.1A, 2C492- 6.1A, 2C492-7.1A , 2C492A, 3C017-1.1_2.1B 12, 0C142-1.1_1.2C CARB TP-511, 2C082-1.1 & 1.2, 2C082-2.1B, 2C082-2.2R1_B LP.
- Drawings: "12 gallon 630012ALP-R2", "12 gallon Short 630013LP-R2 A 6-17-13".
- Moeller Marine Products Quality System documents.

The Portable Fuel Tank 12 Gallon is considered to meet the relevant ISO 13591:1997 requirements and Certificate HPIVS/VR1132-022-I-01 has been issued.
